Processing order for enrollments:

- Submit your enrollment contract, credit card information and/or check any time before February 2, 2018.
- Enrollment contracts received after the deadline will be processed in the order they are received.
- Requests for full days in our preschool/kindergarten program will be given priority over half days. A limited number of 4 half-day afternoon preschool spaces may be available in specific classrooms after 5 day/week slots have been filled.
- Existing students, siblings and children of returning families who have met the age requirements and enroll by the deadline are given priority before we place new students.
- Our Prep Class (2, 3, or 5 half days only) is for new students ages 2-1/2 to 3 to learn social and emotional skills and master potty training so that they can join the Montessori preschool program when they are ready. Space is limited.
- If we cannot fulfill your request, we will contact you within two weeks of the registration deadline to offer any alternative options we may have for you.
