## Important Registration Information 2021-2022 School Year (Sept. 8 – June 15).

Thank you for your interest in our school. The attached information should clarify some of the questions you may have about the Montessori method of education, our philosophy and curriculum. More information is available on our website: [www.sammamishmontessori.com](http://www.sammamishmontessori.com). Please let us know if you have questions. We are here to help you.

**Processing Order for Enrollments:** We will do our best to meet your request and contact you as soon as possible after the deadline if we cannot meet your request to let you know of any alternative options we may have for you.

- Drop off or email your enrollment contract and payment any time before February 28<sup>th</sup> for best placement.
- Enrollment contracts received after February 28<sup>th</sup> will be processed in the order they are received.
- Requests for full days will be given priority over half days in our preschool/kindergarten Montessori classrooms. A limited number of 4 half-day afternoon preschool spaces may be available in specific classrooms.
- Our Prep Program (4 or 5 half days morning only) is for new students ages 2-1/2 to 3 to learn social and emotional skills and master potty training so that they can join the Montessori preschool program when they are ready.
- If you prefer a morning class but are unable to get a morning preschool or kindergarten class, you may request an afternoon class. Please indicate on your enrollment contract if you are willing to take an afternoon class if all morning classes are filled. Please let us know if you would like to be on a waiting list for a morning class.
- If we cannot fulfill your request, we will contact you within two weeks of the registration deadline (or the date you submitted your enrollment contract) to outline any alternative options we may be able to offer.
- If we are able to give you the classes and days you wanted, we will send you a confirmation. We may be able to provide you with a verbal confirmation in advance of the written confirmation depending on when you enroll.
- If we are unable to meet your request, and our alternative options are not possible for you, you may ask to be placed on a waiting list. As soon as a space opens that meets your request we will contact you. We do realize how difficult being on a waiting list can be. Thank you for your patience.

**Please pay the following fees along with your enrollment contract. We cannot process your child's enrollment until all fees are paid in full. (You may provide a check or authorize credit card billing as payment.)**

Non-refundable registration fee \$250 plus a non-refundable tuition deposit of 10% of the annual tuition (less a sibling discount of 5% each if enrolling two or more children).
